“Ladies, I just don’t have the words to express my gratitude for the roles you played in Nevin’s birth. The whole experience was absolutely amazing! Your gentle spirits and total support were huge blessings to me. You allowed our labor to progress naturally on its own; in its own time and in its own way. Your gentle presence and Spirit led prayers blessed me immensely during the whole labor and birth process. You were all very professional, yet loving and caring at the same time throughout it all. God has blessed you all with an unbelievable calling – thank you for letting Him use you in such a mighty way! …

May God bless your practice abundantly and continue to work through each of you!” ~Kim (Wife to Nathan, mom to Nevin)
